MEMORABILIA ROOM

FELLOW STUDENTS:

This is the diary you always intended to write but somehow failed to, the scrapbook you would have made—but never did.

Between these covers we have recorded life as we lived in those happy days spent at East Central Junior College—all the joy, all the pain, all the hopes, all the fears, the things you did, the things you said of this year are all interwoven into the fabric of this book. With these materials we have attempted to portray you and your life—may it always serve to bring back to you golden memories.

Our IDEA . . .

To present E.C.J.C. as it is: It is our aim to show not only the achievements of the students and the excellence of the departments but to revive in later years lifelong friendships that started on registration day and were parted on graduation. Our feeble attempt has been for this yearbook to reflect before you as in a polished mirror the students and faculty as well as the cherished memories of 1941-42; to have it read more like an old tale than a brilliant novel. Even the cover has been chosen with the thought that in years to come it will still grace one's library fittingly. And so it is with somewhat wistful reverence that we write finis; for we know that the book is not made of pictures and ink but of life and memories; therefore, in binding it we seal within it the happiest days of our life—days never to be forgotten.

ALMA MATER

Dear Alma Mater, we sing thy praise,

In sweet remembrance of our college days,

Comrades and teachers, friends so true,

We give our love to you—

Long may we cherish the days spent with thee,

Happy days of dreams, work, and play so carefree—

Deep in our hearts rest your memories true.

Here's all our love to you.

MRS. JANE SULLIVAN

It is with pride that we dedicate the 1942 "WO-HE-LO" to one whose active interest in East Central Junior College is attested by her willingness to participate in any of its functions. Through ability and straight-forwardness she has won the confidence and admiration of all the students who have passed through these portals since the college was founded.

our DEDICATEE

REMEMBER

Those days at E. C. J. C. . . . Those days that you meant to record in your diary but never did . . . The early days in fall when you came to school, heavy hearted and homesick at first, and then so carefree and happy as you strolled about the dear old campus, sat under the trees, and listened to the sweet nothings whispered in your ears.

L. O. TODD

The PRESIDENT

To The Sophomore Class:

There is only one message at this particular time. This nation is at war. Everything in your life now and in the future depends on the outcome of it. The peoples of this and other nations have been tried in the past in the fiery crucible of war. Many of the faults and inferiorities will be burned up as dross. During the process indolence, selfishness, the lack of training, of initiative, and the will to command and achieve will show up now in individuals and in the nation. Great good will come from our banding together in this common effort, yet all of it will not be good. Great damage may come to some of our moral standards here at home. Group hatreds toward other races and peoples have been developed. At home, sectional and class hatreds will have a fertile field in which to work.

It is in times like this that young people have the opportunities that will test their metal. The toughness of their moral fibre will be tested to the fullest. The amount of good will and selfishness will become known.

This is my message to every graduate: do your full part in the war effort. At least one of your fellows, a graduate of 1937, has died in action; many of us may be called on to make the same sacrifice. During the war keep your head high and your chin up. After the war do your best to see that we have a decent world to which war will not come to settle issues that could be settled in the making of the peace.

If you do this, you will be worthy graduates.

The FACULTY

The standard of a Junior College's excellence resides in a great measure in the quality of its leaders. Under the present administration of our college, E. C. J. C. has expanded to proportions unrecognizable to the students of earlier days. Heading the administration for the eighth consecutive year is President L. O. Todd, whose aim has always been to labor for the advancement of our college. Mr. "Rip" Johnson, a true friend of the students, serves as Vice-President and Registrar of the college. Mr. Knowlton, Business Manager of the college, manages the important and difficult office with efficiency and economy. The college secretary, Ettie Frances Carter, is competent at her duties, friendly in her relations with the students, and ready to serve at all times. Mr. Webb, the man with the funny little mustache, Social Studies Prof., is thorough and efficient in his work and is well liked on the campus. Mrs. Sullivan, admired by all the students, conducts the Education Department with efficiency.

Dean of Men

ADMINISTRATION

Mr. Eubanks, Dean of Men, is always ready to hear the troubles of his boys, and never fails to advise wisely and well. No more responsible and delicate position may be found at E. C. J. C. than that of Dean of Women. Mrs. Jackson continues in this position with the same tact and efficiency which has always distinguished her service. The Chesterfield of the Campus, "Fessor" James, has in the past two years built for East Central Junior College an outstanding band. Dr. Sardiga, former World-Champion Typist, heads the School of Commerce. Under his guidance, this department has grown in importance and prestige, and is supplying the business world with competent, well trained secretaries. For many years, Miss "Stella," the campus sweetheart, has served as head of the English Department. She has secured the respect of the student body through her direct and fair dealings with student problems.

Our FACULTY

Mr. C. C. Dearman
B.S., M.A.

Mr. Dearman, head of the Math Department, is a thorough gentleman and an outstanding scholar in Mathematics. Each student leaving our campus carries with him a great appreciation of the fine art of music motivated by Miss Mauldin, the head of the Music Department.

In the Science Department, we find Mr. Frank Cross, who has a long record of efficient service. Assisting in the English Department is Miss Faye Coats, who has for several years been guiding us through Freshman English.

Mrs. Dearman has made people change their minds about the "Beautiful but Dumb" expression. She proved that one can have both beauty and brains when she mastered both Chemistry and Math. Mr. McConaughy, a brilliant man, has built for himself quite a reputation in the field of Social Studies. Miss Ethel Burton is our librarian and under her leadership, the Library has steadily increased in excellence. "Polie" Sullivan, director of Athletics, has endeared himself to the students of E. C. J. C. both for his personal integrity, and his great success as a coach. Miss Hendrix—her capable hands mold the home makers of the future. She is an outstanding leader in both scholastic and religious activities. Our most eligible bachelor, Mr. John Eakes, a member of the History Department, will be remembered by all the students for his fiery pep talks and unflinching support to the football team.

Miss White, the charming and efficient hostess of our dining hall, is a good sport and a skillful dietitian. Vim, vigor, and vitality—all wrapped up in one package, gives us Miss Zelle Weems, the thorough Social Science teacher of High School. Miss McCallum, head of the Physical Education Department, has established for herself a record of untiring effort in student activities. Agriculturist, Mr. Flint, guides the boys in their thorough preparation for the future farmers of America.

Mr. Miller, engineer of the college for the past twelve years, has earned a place in the hearts of the students and the faculty through his kindness and willingness to cooperate.

Finally, after much planning, many rough sketches, severe cases of eyestrain, and abundance of "brainstorms," heart aches, neglected campusology, coca-colas, aspirin and cut classes, we have arrived at something that will be worthwhile to you, the students—"we hope."

Seriously, though, we have endeavored to give you a book of memoirs that we hope you will cherish and love.

We have worked hard this year to give you a book that you might be proud of—only our roommates and our Sponsor know how hard. Any credit that we might claim goes to the student body which has backed us with encouragement and urged us on with constructive criticism.

The CLASSES

The SOPHOMORE Class

A versatile bunch of "Screwballs," they were carefree yet serious, fun-loving—yet purposeful, and crazy, yet brilliant. A more accomplished bunch in "Campusology" never existed, and the mark they have set will be a match for many who will come in the future.

Seriously, tho' . . . the talents and possibilities of this Class of '42 predict for it the top rung on the ladder of success.

The SOPHOMORE CLASS

FRESH

Freshman Day! The one day in which all the freshmen look *their* part. The one day that the sophomores showed their superiority. Never mind, freshmen—you'll be sophomores next year! We promise you faithfully that we will leave to you all of our outworn "privileges,"—such as they were.

MAN DAYS ARE FUN!

Freshman day may have been embarrassing in a way . . . stringy hair, shiny noses, mis-matched shoes, ill-fitting clothes, tooth brushes slung around your necks, freckles on your fair faces, pajamas worn in the parade, the boys' shoe race . . . but, no one really cared. It was really a lot of fun!

The FRESHMAN Class

Our first impression was, "The Freshman Class has quality, but what about quality?" Well . . . we judged not then and we're glad we didn't, 'cause "There's Been Some Changes Made" and that bunch of Greenest of Freshmen shows hopes of survival.

Freshmen, you are challenged to accomplish the best, and you can 'cause you've got what it takes.

PURPOSE

We, the members of this club, wish to express our sincere belief that Agriculture is the most important labor of man. History teaches us that the foundation of any civilization lies very near the soil. If we are to prosper and maintain our present civilization, we must stress this point. Agricultural work must move forward and not backward. We, as a group, join hands in an unselfish effort to stimulate our farmer friends in regard to soil conservation. If agriculture is to be stabilized, our soils must be stabilized also. May we always consider what we take from the soil and what we put back. We must make these factors equal if we are to succeed as good farmers and citizens.

Our slogan shall always be, "Greater yield and better soils for America."

PURPOSE

The Business Society was organized to promote further interest in the various fields of commerce, business, and teaching; to provide an open forum for scientific discussion of any subject in the general field of business; and to establish a closer fellowship among those interested in these subjects.

During the year, the Society sponsored tours, and engaged outstanding men in the business world to lecture at the regular monthly meetings.

Speed demonstrations were given to the Society at 300 words in shorthand and typing speed up to 200 words a minute.

PURPOSE

The purpose of the Y.W.C.A. is not only to enlist workers for Christian service on the campus, but to develop among our students a type of leadership which they will need in life after having gone to other fields of work. The Y.W.C.A. sponsors a project each month wherein some worthy goal is attained by helping people who are less fortunate than we are. This year we are making special contributions to the Red Cross.

PURPOSE

The B.S.U. is a connecting link between the college and the local church in the college center. It is not an organization but organized program for all Baptist students and students of Baptist preference on the campus. It is maintained by the B.S.U. Council, which is elected annually by a nominating committee taken from the B. S. U. as a whole. The B. S. U. meets weekly in the home of the pastor, Rev. C. B. Hamlet, who is the Sponsor. The faculty advisor is Mr. Janie Sullivan.

Extensive work is done in our Work Shop, which has been given for use in the religious organizations. The "Cap and Gown," an eight-page paper, is published monthly by the Council for the student body.

FOOTBALL

THE COACHES

Mr. "Polie" Sullivan

Under the leadership of Coaches Sullivan, Cross, and McCallum, our athletes have played—won and lost.

We give tribute to Mr. Sullivan for his fine work with the football and basketball teams, to Mr. Cross and Miss McCallum for their work with the high school basketball and the college tennis teams. Without their efficient guidance our teams could never have reached the levels that were achieved.

Two of our Warriors were placed on the All-State first team and one on the All-State second team. Masenko, a rather small but hard-hitting man, rated the guard position on All-State first team. "Happy" Grantham, a big, fast, husky Texan, placed as tackle on the first All-State team. Bert "Shot" Thompson also won All-State honors as second team tackle. These boys merited not only per-

Let us also sing praises to the rest of the team and to Coach "Polie." Eleven men make the team, and it is through co-operation from each player that we have a few outstanding Warriors. We give high tribute to Coach for his untiring efforts and hard work.

Conference champions? No, we were not. State Champions? No, again, but we had a champion spirit all the way through the season. Mumps and injuries nearly got the best of us several times, when we didn't even have substitutes, but the ole E. C. J. C. fighting blood ran hot and fast.

and ACTION

We came through the season not as an "under dog" but as a bunch of "Fighting braves" who weathered the storm and were considered "tops" in lots of respects by the Sports authorities of the Conference.

Two of our players, Foch Harpole and Billy Joe Livingston do not have pictures, but they were in the games, too . . . in a big way!

LOVE AROUND

THE CAMPUS

Before We Go:

We wish to thank all who have so earnestly assisted us in making possible this 1942 publication of the WO-HE-LO: To the business firms who aided us with their generous advertisements; to Mr. Link, of Memphis, for his excellent photographic workmanship and full cooperation with the staff; to Mr. Faeber, of the Alabama Engraving Company, for their personal interest in this book; to Mrs. Newsome, our sponsor, for her counsel and guidance; and to the entire faculty and student body for their fine spirit of cooperation. Without you there could have been no book.
